## REGISTRATION NOTES

Please register before July 15th, 2024! We have limited enrollment spots so the sooner you register the better to ensure your spot!

Registered campers wanting a larger or speaking role must have no other conflicts on night of performance and must be able to come to all full day rehearsals.

Please attend all days of camp. We cover a lot of material in a short time so we need all registered campers at rehearsal.

Please come to rehearsal on time. If schedule conflicts should arise please email the directors at [grace@westerniowaarts.org](mailto:grace@westerniowaarts.org)

Please list any food allergies on registration form as we provide a mid-day snack at camp. Campers are encouraged to bring a water bottle to stay hydrated and are welcome to bring their own snack if needed. Medical accommodations are not uncommon for our team, so please email the directors with any questions.
